

Zero Textbook Cost (ZTC) Courses at West Hills College Lemoore

What is ZTC?

Courses that are designated ZTC do not require any textbook or learning material purchase.

Many faculty members eliminated textbook costs by adopting Open Educational Resources (OER) to replace costly commercial textbooks and access codes.

What are the Benefits of ZTC?

1. Free course reading materials!
2. Access to course materials on day one.
3. You can download the materials and keep them long after the course is over.
4. Resources are kept up to date and no expensive new editions!
5. No need to worry about selling back textbooks or returning rentals to the bookstore.

How Do I Find ZTC Classes?

1. Navigate to the course schedule, select a term, course, location, etc. Then press "Search."
2. Select "Zero Textbook Cost" from the "Course Types" filter on the left-hand side.
3. Look for the ZTC symbol (pictured above) next to the course sections!
